Results-driven Performance Marketing Executive with 2+ year of hands-on experience in SEO, paid-media, and content strategy for education. Skilled at leveraging AI-powered tools, data analytics, and growth-hacking techniques to boost engagement, slash acquisition costs, and drive conversion. Adept at multi-channel campaign execution, CRO, and emerging digital trends.

WORK EXPERIENCE

Performance Marketing Executive: Netzwerk AI Pvt Ltd.

February 2024- May 2026

Performance Marketing Executive

Drafted 5-6 SEO-optimized blog articles monthly, boosting organic student traffic and fueling long-term content-driven lead generation across digital channels. Wrote ad copy for Google, Facebook, and LinkedIn campaigns, lifting click-through rates by 10-15% and generating targeted interest from education audiences. Researched 5-10 high-ranking keywords monthly with SEO tools, driving 20% higher blog visibility and SERP discoverability. Maintained 80+ readability scores on all published content via Yoast and Grammarly, meeting SEO standards for student engagement. Developed 3-5 quarterly marketing assets (e.g., whitepapers, guides), adding prospects to CRM pipelines and accelerating content-to-conversion velocity. Optimized education course landing pages, increasing form conversion rates from 3.5% to 5.6% through refined copy and CTA strategies. Updated outdated blog posts quarterly, elevating search rankings and growing organic impressions by 30-50% in core education topics. Executed quarterly lead gen campaigns, capturing 20-30% more qualified leads within 90 days via targeted messaging and funnel optimization. Fine-tuned audience targeting for behavioral ads, reducing cost-per-lead (CPL) while sustaining volume and enhancing lead quality. Designed monthly visual-rich ad creatives with compelling CTAs, increasing engagement rates by 25% over prior sets. Delivered monthly KPI reports to cross-functional teams, highlighting key metrics on traffic, conversions, and ROI to inform data-driven campaign optimizations and strategy pivots

HR Intern | Loksuvidha

Nov 2023 - Jan 2024

- Coordinated in end-to-end employee onboarding for 20+ new hires, coordinating documentation, system entries, and orientation activities to ensure smooth and timely integration into the organization.
- Managed EPFO data updates and submissions for 100+ employee records, ensuring 100% accuracy and statutory compliance within prescribed timelines.
- Performed document verification for new recruits, validating identity, educational, and employment records in line with organizational policies and legal requirements, reducing onboarding discrepancies.
- Conducted CIBIL score checks for pre-employment background screening of candidates for loan-based roles, supporting risk mitigation and compliance with internal credit eligibility standards.
